Skill of the Month

Washing your Hands

Dear Family,

This month our Hygiene Skills Center will focus on Washing your Hands. If you could also work on generalizing this skill at home it would be very helpful for your child. If you have any materials that could help us learn this skill, feel free to send them in. And as always, if you would like visuals for this skill to use at home, please ask in your child's communication notebook!

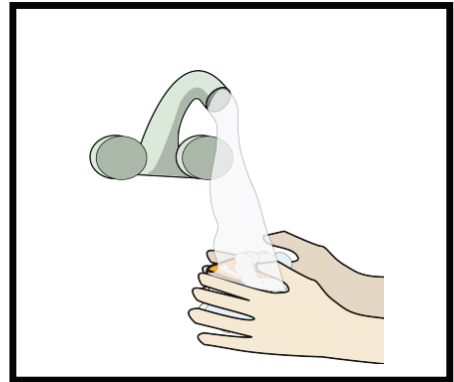

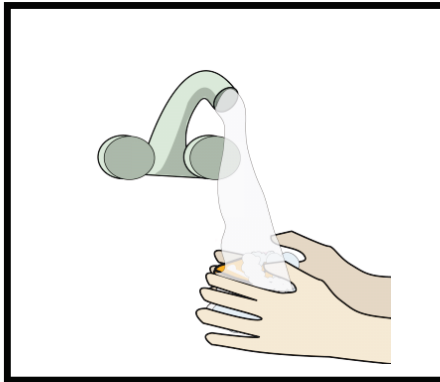

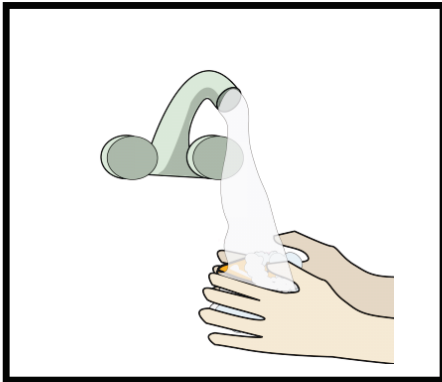

Thanks,
